Press Release June, 2011

The 2011 World Peace and Harmony Ceremony

Lotus Light Charity Society (Vancouver), Lotus Light Temple, True Buddha Publication Society, PTT Buddhist Society and Tantric Buddhist Society are jointly presenting the **2011 World Peace and Harmony Ceremony**, a free community event that is open to all faiths.

TIME: Sunday, July 31, 2011 @ 1:00 p.m.

PLACE: Croatian Cultural Centre
3250 Commercial St. Vancouver

This celebration for world peace is collectively organized in its tenth year by the Lotus Light Charity Society (LLCS) and the three local chapters of True Buddha School. It will focus on embracing peace and bringing positive energy to a world struggling with uncertainty, fear, conflict, and hostility.

Each one of us has within us the light of hope that when joined together can drive back the darkness of these troubled times. Just as a smile can brighten a room, a gathering of hearts in peace and harmony can brighten a community, a nation, and a world.

On July 31st, peace and harmony will be celebrated at the Croatian Cultural Centre, Vancouver, BC through the presentation of LLCS scholarships promoting the education of our youth, rice donation to the Greater Vancouver Food Bank, and a sacred Buddhist ceremony for world peace.

Public donations received at this event will be applied towards LLCS hospice and world peace programs. "Through caring and sharing, we help to build a better tomorrow." For more information, please contact the Lotus Light Charity Society (Vancouver) at Tel: 604-685-5548 or Fax: 604-605-1002.

The Lotus Light Charity Society is an international charitable organization founded in Vancouver in 1993 by Buddhist Grandmaster Sheng Yen Lu, with over 90 chapters throughout the world. Each chapter supports local causes and contributes to global causes such as earthquake and famine relief. This year the Vancouver chapter has raised emergency fund for the Canadian Medical Assistance Teams after the March 12, 2011 Japan 9.0 Earthquake. The Vancouver chapter contributed over 1,000 sleeping bags last year to the Lower Mainland's low income residents. The Charity is also an active supporter of other charity organizations such as the BC Cancer Society, the BC Heart Foundation, BC Children's Hospital, The Canadian Diabetes Association and many others at the community, provincial, and national levels.

Through caring and learning, We help to build a better tomorrow!
